DM me if you need off-campus housing for roommates!

I got you covered for housing off-campus with roommates! Lots of options in Plano - private rooms with shared bathrooms, fully equipped kitchens, TV, internet, etc.

Rent is generally \$630-\$790 per month (depending on the exact room), plus utilities (approximately \$150, which includes internet). Lease terms are flexible, from month-to-month to one-year terms. Roommates are from UT Dallas, Collin College, and alumni.

Feel free to call the property manager at (469) 833-4189 📞, and the team can schedule a showing.

Feel free to DM me with q's!

Looking for one roommate in a 3x3 townhouse, you would be living with 2 male senior students one in JSOM the other in ECS. It's in the complex Parkside Towns which is the highest rated, safest, and most quiet place in the area. It is also the second closest place being only 5 minutes away in a good location being in the middle of campus and target.

The rent is 985+ utilities and comes with stainless steel appliances, washer and dryer, a parking spot right by the door along with multiple free visitor parking. Your room will not be furnished but we have basic kitchenware. Lease/ move in would start July 1st and lease is 12 months with the option of lease swapping in the middle, Dm me if you would like more information or the floor plan.
